AL PACINO SCARFACE

In the spring of 1980,
the port of Miami Harbor
was opened, and thousands
set sail for the United States.
They came in search
of the American Dream.

One of them found it on the
sun-washed streets of
Miami—wealth, power and
passion beyond
his wildest dreams.

He was Tony Montana.
The world will remember
him by another name
...SCARFACE.

He loved the American Dream.
With a vengeance.
